To the ADID and Class ID Combination Categorisations table, add a line where ADIDs = CCSD0007*, Class IDs=K=double checkmark (for is allowed), and all other Class IDs are not allowed.

In the footnotes to the table add:

* Control Authority Data Structures, see Ref. [7]

Add as the first paragraph under Purpose:

"The material in this annex is deprecated. Future issues of this document will not contain the material in this annex. CCSDS 622.0-R-1, the Referencing Environment Recommendation, has been completed and in it the CCSDS Referencing Environments are defined. The material in that Recommendation replaces the guidelines suggested in this annex."
